Victoria Printz has made her mark as Midland's top real estate agent through outstanding customer service, top notch marketing and strong community involvement. Mentoring a team of 15, each member of The Victoria Printz Team Realtors brings a special expertise. "I like to hire talent over experience, I do my own training," Victoria says. Known for doing things differently, Victoria has established a bulletproof boutique real estate company that believes in doing one thing and doing it right. In 2017 and 2018 Victoria successfully closed over \$110,000,000 in sales per year.

Primarily a seller's agent, Victoria takes the lead with listings while others support the high need for resourceful buyers' agents in this fast-moving market. "The key to my success is that sellers want three things from me- feedback, feedback, feedback," says Victoria. "And buyers want three things from buyer's agents- time, time, and time." Luckily for Victoria's clients, she offers both, and goes above and beyond expectations. "My team takes the time to truly get to know each person. As for my clients, they receive the full package of continuous updates on market conditions, feedback from showings,

successes from marketing campaigns, and metrics around pricing and competition.”

All of this effort has not gone unnoticed, with Victoria winning Woman of Achievement for 2017 by the Uptown Business Women’s Association, an award she was very honored to receive. “I followed a

long line of very successful entrepreneur women, so it was a big deal,” she explains. She also earned the Girl Scout Women of Distinction in 2017.

Victoria Printz is a well-known face in the Midland community. When Victoria isn’t working she is attending charity events

and supporting causes that drive her own personal passions. Victoria sponsors many community events at her ballroom, The Ballroom Dance Studio. Quick stepping through real estate, Victoria still finds time

to ballroom dance with her accomplished coach from Eastern Europe. “Dancing gives me a renewed spirit for the body and mind and I enjoy attending dance competitions all over the world,” says Victoria.

Real estate is a dream career for Victoria Printz, and she is incredibly grateful to help people achieve their goals. “I love the interaction with people. No two days are the same.

Every buyer and seller is different. Our job is to serve them and meet their needs, while also showing them that it’s the people that make Midland great.”
